LICT Continues Shareholder Designated Charitable Contribution Program for 2017

Rye, New York- July 11, 2017 – Following-up on our first notice of June 21, 2017, this is a reminder, that LICT Corporation will continue its Shareholder Designated Charity Program and that the latest date for participating shareholders to have their shares registered in their own name, in order to participate in the program, is July 21, 2017.

Please see the June 21, 2017 Press Release below:

“Rye, New York- June 21, 2017 – LICT Corporation (OTC Pink: LICT) announced today it is continuing for 2017 the Shareholder Charitable Contribution Program for all registered shareholders which it originally adopted in 2016. All registered shareholders will be eligible to designate charities to which the company will make a donation of \$100 per share on behalf of the shareholder.

Warren Buffett had a similar program at Berkshire Hathaway from 1981 to 2003. In addition, GAMCO Investors, Inc. has had a similar program.

At LICT, we continue to believe charitable giving is a cornerstone of society and an obligation for those with means to make a difference in the world. As an organization, LICT will have no control over the donations, but we are happy to make them on behalf of our shareholders.

As in the case of both Berkshire and GAMCO, only registered shareholders will be eligible to participate.

If a shareholder’s shares are registered in “street name” (i.e. a bank, broker or other institution holding the shares for the shareholder), those shares will not be eligible to participate in this charitable program. Therefore, any shareholder who has shares that are currently held in street name but wishes to participate in this program should contact the institution holding the shares to arrange for their registration in the shareholder’s own name.

Shareholders will have until July 21, 2017 to register shares in their own name to participate in the program. Our current plan is to distribute, in early July, a charitable contribution form that must be returned to LICT no later than August 11, 2017, for the charitable contribution to be made. Only charities that are recognized 501 (c) (3) organizations will be qualified to receive the donation from LICT on the shareholder's behalf. A list of eligible charities is available at www.irs.gov/Charities-&-Non-Profits/ExemptOrganizations-Select-Check; or Guidestar.org.

Please see the attached list of Frequently Asked Questions for further details on the charitable contribution program. If you have additional questions, please use the contact number provided below.

If all shares are registered in the shareholders' names at the record date, the total contribution would be approximately \$2.1 million."
