PROXY STATEMENT

PROXIES AND VOTING PROCEDURES

This Proxy Statement is furnished by the Board of Directors (the “Board”) of LICT Corporation (“LICT” or the “Corporation”) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held virtually, by electronic means, on June 8, 2022 at 8:45 am Eastern Time, and at any adjournments thereof. You may attend the virtual Annual Meeting by using your 16-digit control number, which is printed on the Proxy Card accompanying this Notice and Proxy Statement and visiting www.virtualshareholdermeeting.com/LICT2022.

At the Annual Meeting, you are being asked to vote on the following:

1. The election of six (6) directors to our Board, to serve until the next annual meeting of our stockholders or until their successors are duly elected and qualify.
2. The ratification of the appointment of BDO USA, LLP (“BDO”) as the Corporation’s independent auditor for the year ending December 31, 2022.
3. Such other business as may properly come before the Annual Meeting or any adjournments thereof. The Board is not aware of any such matters.

Only stockholders of record of LICT at the close of business on April 22, 2022, the record date for the Annual Meeting, are entitled to notice of, and to vote at, the Annual Meeting. This Proxy Statement and accompanying form of Proxy Card are being sent to our stockholders on or about May 2, 2022. As of the close of business on April 22, 2022, there were 17,598 shares of our common stock, par value \$0.01 per share (“Common Stock”) outstanding. Each share of our Common Stock, or fraction thereof, is entitled to one vote, or fraction thereof, on each matter submitted to our stockholders. There were no other classes of voting securities of the Corporation outstanding on the record date. In order for us to obtain a quorum for the conduct of business at the Annual Meeting, a majority of the issued and outstanding shares of Common Stock entitled to vote must be represented at the Annual Meeting in person or by proxy.

Our Board is asking for your proxy. Giving the Board your proxy means that you authorize the Board to vote your shares of Common Stock at the Annual Meeting in the manner you direct. If no such direction is given in the proxy returned to us by the stockholder, the proxy will be voted FOR the nominees to the Board named below, FOR the ratification of BDO as the Corporation’s independent auditor for the year ending December 31, 2022, and in the discretion of the proxies with respect to any other matter that is properly brought before the Annual Meeting. Any stockholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering a written notice of revocation or a duly executed proxy bearing a later date to one of our corporate officers, or by attending the Annual Meeting and voting online at the Annual Meeting.

If stockholders do not give their broker or other nominee instructions as to how to vote shares held in street name, the broker or other nominee will have discretionary authority to vote those shares only on ‘routine’ matters, such as the ratification of auditors, and not on ‘non-routine’ proposals. Thus, if you hold your shares

of Common Stock through another person or firm, or in street name, and do not provide voting instructions to your broker or other nominee, your shares will not be voted with respect to the election of directors, which is a ‘non-routine’ proposal, but may be voted with respect to the ratification of BDO as the Corporation’s independent auditor. Shares of Common Stock held by brokers who have not received voting instructions from their customers are referred to as “broker non-votes,” and are counted as present for the purpose of establishing a quorum despite the fact that they are not voted on non-routine matters.

The candidates for election to our Board who receive the highest number of affirmative votes will be elected. Votes that are withheld will not be included in the vote tally for the election of directors. To ratify the appointment of BDO as our independent auditor for the year ending December 31, 2022, a majority of the votes cast on the matter is required. Abstentions are not deemed to be votes cast and shall have no effect on the vote.

An automated system administered by Broadridge Financial Solutions, Inc. tabulates the votes.

COST OF PROXY SOLICITATION

This solicitation of proxies is made on behalf of our Board, and the cost thereof will be borne by us. We may employ an independent firm to assist in this solicitation at standard costs for such services, plus reimbursement of out-of-pocket expenses. We will also reimburse brokerage firms and nominees for their expenses in forwarding proxy material to beneficial owners of our Common Stock. In addition, our officers and employees, none of whom will receive any compensation in addition to their regular compensation, may solicit proxies. The solicitation will be made by mail and, in addition, may be made by facsimile, e-mail, personal interviews and by telephone.

Dividend Policy

The Corporation has not paid cash dividends on our Common Stock since our inception and has instead generally retained liquidity for operations. The Board may consider instituting a dividend in the future, subject to the Corporation’s financial needs, any applicable financial obligations and its strategic development. We have distributed shares of subsidiary companies to our stockholders in the form of spin-offs (CIBL, Inc. (“CIBL”), a holding company with operating interests in telecommunications, in 2007, and ICTC Group, Inc. (“ICTC”), a telecommunications company serving southeastern North Dakota, in 2010).

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board has nominated Mario J. Gabelli, Marc Gabelli, Salvatore Muoio, Philip J. Lombardo, Salvatore M. Salibello and Gary L. Sugarman to be elected at the Annual Meeting as all the members of our Board, to serve until the next Annual Meeting or until their successors are duly elected and qualify.

At this time, the Board wishes to offer its sincere thanks and grateful appreciation to our departing members, Robert E. Dolan and Avrum Gray, for their service as directors since 2013 and 2016, respectively. Their business acumen and clear-eyed insights on LICT's place in the telecommunications industry made a great contribution to the Corporation's success during their tenures on the Board. As they step down from their directorships, the Board has offered them the position of Director Emeritus, in which they would continue to be available to assist the Board. Both Mr. Dolan and Mr. Gray have graciously accepted this offer and will continue their service to LICT in this role.

If for any reason any nominee does not stand for election, the proxies solicited by this Proxy Statement will be voted in favor of the remainder of those named and may be voted for a substitute nominee in place of such nominee. We have no reason to expect, however, that any of the nominees will not stand for election.

Our By-laws provide that the number of directors on the Board shall be set by a majority of the Board or the holders of a majority of the shares of the Corporation entitled to vote. The size of our Board is currently set at six directors by resolution of the Board. At this stage in the Corporation's development and in the current circumstances, we believe that six directors are appropriate for LICT's present purposes and will support our efficient operation.

Biographical summaries, the ages of the nominees as of May 2, 2022, and their Chairmanship positions on Committees of the Board are set forth below. This information shows that each of the nominees is well qualified to serve on our Board, as further detailed immediately following each biographical summary. In addition, the Board has carefully considered that as a group, the nominees provide a broad range of diversity in their backgrounds, education, experience, skills and expertise, as also set forth below. The diverse qualifications and abilities of our nominees cover all of the major areas of the Corporation's strategic, operational, financial and governance needs.

Data with respect to the number of shares of our Common Stock beneficially owned by each of the nominees appear elsewhere in this Proxy Statement. All such information has been furnished to us by or on behalf of the nominees.

PROPOSAL 2

RATIFICATION OF BDO AS THE CORPORATION'S INDEPENDENT AUDITOR

BDO has served as the Corporation's independent auditor for the years ended December 31, 2014, through December 31, 2021, and the Board has selected BDO to serve in that role for the year ending December 31, 2022 as well. We are asking our stockholders to ratify the selection of BDO. In accordance with our governance principles, the Board believes that this is consistent with the best governance practices as an opportunity for stockholders to provide direct feedback to the Board on this important engagement. If our stockholders do not ratify the selection of BDO, the Board will reconsider the matter.

Vote Required

Ratification of BDO requires the affirmative vote of a majority of the votes cast on the matter. Abstentions are not deemed to be votes cast and will have no effect on the vote.

Recommendation

THE BOARD RECOMMENDS A VOTE "FOR" RATIFICATION OF BDO AS THE CORPORATION'S INDEPENDENT AUDITOR FOR THE YEAR ENDING DECEMBER 31, 2022.

GOVERNANCE OF LICT CORPORATION

Board of Directors

The Board has authority to set the number of its members, and during 2021 the size of the Board was set at eight directors. On August 27, 2021, Mr. Sugarman resigned from the Board due to his service on the board of another corporation which was planning to participate in the FCC's Spectrum Auction 110. LICT also intended to participate in Spectrum Auction 110. Mr. Sugarman resigned from our Board in order to eliminate any possible question as to compliance with the FCC's non-collusion rules relating to such Auctions. There was thus one vacancy on the Board at December 31, 2021.

During 2021, the Board held seven meetings. Mr. Sugarman attended all of the meetings that were held during his tenure, and six of the other seven directors attended all of the Board's 2021 meetings. The Corporation does not have a policy regarding the attendance of directors at the Annual Meeting. The size of the Board is currently set at six members. Of the Corporation's director nominees, Mr. Lombardo, Mr. Muoio, Mr. Salibello and Mr. Sugarman are considered independent; during his service on the Board, Mr. Gray has also been considered independent.

On April 28, 2020, the Board created separate Audit, Compensation, Governance, Nominating and Regulatory Committees. As indicated in the biographies of the nominees set forth above, the Chairmen of these committees are Mr. Salibello – Audit; Mr. Lombardo – Compensation; Mr. Muoio – Governance; Mr. Mario Gabelli – Nominating; and it is anticipated that Mr. Sugarman will resume his Chairmanship of the Regulatory Committee as he rejoins the Board. The Board will continually review the relationship of this committee structure to the ongoing governance needs of the Corporation, and may revise the number, nature and composition of its committees in the future.

Compensation of Directors

On February 3, 2020, the annual compensation of directors (except for Chairman Mario Gabelli, who receives no compensation) was increased from \$80,000 to \$100,000, effective April 1, 2020. In addition, again except for the Chairman, directors receive a fee of \$3,000 for each Board meeting attended in person (including by means of a visual conferencing service); a fee of \$1,000 for attendance at each telephonic Board meeting; and committee Chairmen receive an additional fee of \$25,000 for their service in those roles.

Total 2021 director compensation in quarterly cash retainers, meeting attendance fees and committee Chairmanship fees was:

Robert E. Dolan	\$115,000
Marc J. Gabelli	\$106,000
Avrum Gray	\$115,000
Philip J. Lombardo	\$140,000
Salvatore Muoio	\$140,000
Salvatore M Salibello	\$140,000
Gary L. Sugarman	\$87,989
Total	<u>\$843,989</u>

No form of compensation other than these cash payments (e.g., stock options, restricted stock, etc.) was provided to the directors during 2021. An expense account in the annual amount of \$60,000 was authorized by the Board on February 3, 2020 for the use of the Chairman. The Corporation maintains liability

insurance that provides for indemnification of each director (and officer) against certain liabilities that may be incurred through service in such capacities.

Risk Oversight

Our Board as a whole, and the Audit Committee in particular, has responsibility for the oversight of risk management. The Board as a whole, and the Audit Committee in the performance of its functions, regularly discuss with management the Corporation's significant risk exposures, their potential impact on the Corporation, and the steps necessary to manage these risks. The Board's areas of focus prominently include the management of risks associated with governance issues such as corporate structure, supervision of field management, financial and accounting controls, and accountability requirements. The Board as a whole is ultimately responsible for risk oversight of the Corporation. In discharging this responsibility, the Board meets periodically with the Audit Committee and with management in order to review the Corporation's financial reporting system, its risk exposures and the measures management must take to identify, monitor and control such exposures.

Employee Code of Ethics and Conflicts of Interest Policy

Since our spin-off from Lynch Corporation in 1999, we have had a code of conduct and a policy governing conflicts of interest. In December 2003, we adopted a Code of Ethics that replaced our existing code of conduct and applies to all of the Corporation's employees, including our officers. We require all of our employees to adhere to our Code of Ethics and Conflicts of Interest Policy in addressing legal and ethical issues encountered in conducting their work. Our Code of Ethics and Conflicts of Interest Policy require that our employees comply with all laws and other legal requirements, avoid conflicts of interest which may arise in the course of their employment, conduct business in an honest and ethical manner, and otherwise act with integrity and in the Corporation's best interests. In addition, employees who, due to their responsibilities, may encounter conflicting interests are required to certify compliance with our Conflicts of Interest Policy on a case-by-case basis. Our Code of Ethics and Conflicts of Interest Policy are posted on our website at www.lictcorp.com.

Policy Regarding Reports of Actions That May Be Violations of Law

In December 2003, our Board also adopted a Policy Regarding Reports of Actions That May Be Violations of Law, referred to as our "Whistleblower Policy." This Whistleblower Policy reaffirms our commitment to comply with all applicable laws that protect employees from unlawful discrimination or retaliation as a result of their lawfully reporting information regarding, or participating in, investigations involving allegations of corporate fraud or other violations of federal or state law. The Whistleblower Policy further establishes a procedure by which employees may file anonymous complaints regarding the Corporation's actions or business practices including, but not limited to, fraudulent conduct, violations of internal accounting controls or other financial misconduct, and non-compliance with applicable laws or regulations. Our Whistleblower Policy also provides that we will offer a reward of up to \$10,000 (which may also be made on an anonymous basis) to any employee who reports information regarding corporate fraud or other alleged violations by the Corporation or its agents of federal or state law, where such information leads to a finding of wrongdoing as determined either by our Board or by a government authority. A copy of the Whistleblower Policy is posted on our website at www.lictcorp.com.

Stockholder Communications.

Our stockholders may send communications by letter addressed to our Board at LICT Corporation, 401 Theodore Fremd Avenue, Rye, New York 10580. All communications will be received and reviewed by a Corporate officer, and communications about our accounting, internal controls, auditing matters or business

practices will be reported to the Board. Communications about other matters will be forwarded to the Board if issues appropriate for its attention are raised therein.

Compensation Discussion and Analysis

Overview and Philosophy

The Board approves annual compensation to be paid to our Chief Executive Officer and each of our other executive officers, as well as to other key employees. In addition, the Compensation Committee is responsible for developing and recommending to the Board executive compensation policies and plans. The Compensation Committee, as well as the Board as a whole, have approved the following discussion of the Corporation's executive compensation in this proxy statement.

The objectives of our executive compensation program are to:

- Promote and reward the achievement of the Corporation's desired performance;
- Provide compensation that will attract and retain superior talent;

- Ensure that there is appropriate linkage between executive compensation and the enhancement of stockholder value; and
- Evaluate the effectiveness of our incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, scope, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon our annual and long-term performance, as well as individual performance. The Board uses its discretion to set executive compensation at levels warranted, in its judgment, by such performance and by our other compensation objectives, as set forth above.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of base salary, cash bonus compensation, the 2015 Restricted Stock Plan discussed below, other stock awards, our 401(k) Savings Plan, and other benefits generally available to our employees.

Base Salary

Base salary levels for our executive officers are intended to be competitive with other companies in our industry which are comparable to the Corporation in size, scope, complexity and financial characteristics. In determining salaries, the Compensation Committee and the Board consider an individual's experience and performance, as well as specific issues relating to the Corporation and its desired performance. Any adjustments made to salaries are based upon a variety of judgmental factors, including the individual performances of the officers and their anticipated contributions to the Corporation, the prevailing industry conditions, and our general financial and strategic posture and performance.

Bonuses

Bonuses may be awarded to our executive officers and other key personnel based on the attainment of objective measures of corporate performance and on subjective evaluation of individual performance. In general, bonus awards are designed to provide for the payment of a percentage of an officer's base salary for the achievement of corporate objectives, and upon the favorable evaluation of the officer's overall performance by the Board and/or the officer's immediate superior. The Board, in its discretion, may take into consideration such other factors and circumstances involving the officer's performance and the Corporation's results as it deems relevant in determining the amount of each bonus. In 2017, a total of 35 shares of stock were awarded on an unrestricted basis, outside of the 2015 Restricted Stock Plan described below, to two of our executives as bonuses. These 35 shares were distributed to the executives in January 2018. In addition, for work performed in 2020 during the exceedingly difficult circumstances created by the coronavirus pandemic, in 2021 the Corporation has distributed "phantom stock" awards to certain key management personnel. These awards were given in the form of a cash bonus in the amount of the value of shares (but not actual shares themselves) of the Corporation's stock as of a certain date. The Compensation Committee may or may not recommend, and the Board may or may not distribute, such awards in the future.

2015 Restricted Stock Plan

In March 2015, as an equity incentive measure, the Board approved the Corporation's 2015 Restricted Stock Plan (the "RSA Plan"). In March 2015, a total of 89 shares of restricted Common Stock were awarded to four of our executives, including 60 shares to Mr. Gabelli and 25 shares to Mr. Dolan. All of these awards were to vest January 1, 2017. In December 2016, the vesting period on Mr. Gabelli's shares was extended to July 1, 2017. In April 2016, a total of 34 additional shares of restricted Common Stock were awarded to five

of our executives including 15 shares to Mr. Gabelli, 10 shares to Mr. Dolan and five shares to Mr. James DaBramo, our former Chief Operating Officer who left the Corporation on January 2, 2020. The April 2016 awards were to vest on January 1, 2018. In December 2017, the vesting period on Mr. Gabelli's shares was extended to July 2018 and the remaining shares vested in accordance with their terms. In March 2018, a total of 35 shares of restricted stock were awarded to two executives, including 25 shares to Mr. Gabelli and 10 shares to Mr. Dolan, bringing the shares awarded under the plan to 158. The March 2018 awards vested on January 15, 2020, and the shares were distributed on that date. The restricted shares are forfeited before vesting if the executive's employment is terminated by the Corporation for cause or the executive voluntarily resigns (as with Mr. DaBramo), and the RSA Plan contains other terms and conditions which are usual and customary for equity incentive programs of this type. The Board is responsible for the administration of the RSA Plan and may increase or otherwise modify the awards in the future as the Board determines to be appropriate.

LICT Corporation 401(k) Savings Plan

The Corporation's employees are eligible to participate in our 401(k) Savings Plan. Our 401(k) Savings Plan permits employees to make contributions by deferring a portion of their compensation. The Corporation may also make discretionary contributions to the 401(k) Savings Plan accounts of participating employees, and the Corporation commenced doing so as of January 1, 2021. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. All 401(k) contributions are invested in certain mutual funds or our Common Stock, as determined by the participants.

Benefits

We provide medical, life insurance and disability benefits to the executive officers that are generally available to all of our employees. The value of other perquisites did not exceed \$10,000 for any executive officer in 2021.

Chief Executive Officer Compensation

Effective December 1, 2010, Mario J. Gabelli was reappointed Chief Executive Officer of the Corporation, replacing Robert E. Dolan who had been elected Interim Chief Executive Officer effective May 1, 2006. Mr. Gabelli had previously been Chief Executive Officer from September 1999 until November 2005, and throughout this period served as either Chairman or Vice-Chairman of the Board. Mr. Gabelli had remained actively involved in the development of the Corporation's acquisition, disposition, investment and financial strategies prior to his resumption of the CEO position in 2010, and his salary of \$150,000 per year has not been increased since that time. Consideration of additional compensation for Mr. Gabelli as a result of his service as Chief Executive Officer and his increased responsibilities continues to be examined by the Board in light of the long-term strategic goals of the Corporation.

REPORT OF THE AUDIT COMMITTEE

The Report set forth below is issued on behalf of the Audit Committee, chaired by Mr. Salibello.

Management is responsible for the Corporation's internal accounting and financial controls, the financial reporting process and compliance with the Corporation's policies and legal requirements. The Corporation's current independent auditor, BDO, is responsible for performing an independent audit of the Corporation's consolidated financial statements and for issuance of a report thereon.

The Audit Committee as a whole engaged the independent auditor through 2021, subject to the approval of the Board. The Audit Committee has monitored and overseen, and will continue to monitor and oversee, the Corporation's accounting, financial and audit processes. It also has responsibility to investigate matters related to the Corporation's financial statements and controls as it deems appropriate. In the performance of these oversight functions, the Audit Committee relies upon the information, opinions, reports and statements presented to it by the Corporation's management and by BDO as the Corporation's independent auditor.

The Audit Committee has reviewed the audited consolidated financial statements of the Corporation with management, and management has represented that the Corporation's consolidated financial statements are prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). In addition, the Audit Committee has discussed with BDO matters relating to the independent audit that are included within applicable Statements of Accounting Standards. The Audit Committee has confirmed the independence of BDO through its examination of and discussions with that firm.

Based on the Audit Committee's review of the representations of management, and its discussions with management and with BDO, the Committee has determined that the financial statements of the Corporation for the year ended December 31, 2021, as audited by BDO, shall be included in the Corporation's Annual Report.
