NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 12, 2015

May 14, 2015

To Stockholders of LICT Corporation:

NOTICE IS HEREBY GIVEN to the holders of common stock, par value \$0.01 per share (the “Common Stock”), of LICT Corporation (the “Corporation”), a Delaware corporation, that an Annual Meeting of Stockholders (the “Annual Meeting”) of the Corporation will be held at the Agora Room, 401 Theodore Fremd Avenue, Rye, New York 10580 on June 12, 2015, at 10:30 am Eastern time, for the following purposes:

1. To elect four members to our Board of Directors to serve until the next Annual Meeting and until their successors are duly elected and qualify;
2. To ratify the appointment of BDO USA, LLP as the Corporation’s independent auditors for the year ending December 31, 2015; and
3. To transact such other business as may properly come before the Annual Meeting or any adjournments thereof.

Information relating to the above matters is set forth in the enclosed proxy statement. The Board of Directors and management of the Corporation are not aware of any other matters that will come before the Annual Meeting. As determined by the Board of Directors, only stockholders of record at the close of business on May 11, 2015 are entitled to receive notice of, and to vote at, the Annual Meeting and any adjournments thereof.

The Board of Directors encourages all stockholders to personally attend the Annual Meeting. Your vote is very important regardless of the number of shares you own. Whether or not you expect to attend the Annual Meeting, you are requested to promptly date, complete, sign and return the enclosed proxy card in the enclosed accompanying postage-paid envelope in order that your shares of our Common Stock may be represented. Your cooperation is greatly appreciated.

By Order of the Board of Directors,

Robert E. Dolan
Executive Vice President and Chief Financial
Officer

LICT CORPORATION

PROXY STATEMENT

PROXIES AND VOTING PROCEDURES

This proxy statement is furnished by the Board of Directors (the “Board”) of LICT Corporation (“LICT” or the “Corporation”) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the Agora Room, 401 Theodore Fremd Avenue, Rye, NY 10580, on June 12, 2015, at 10:30 am Eastern time, and at any adjournments thereof.

At the Annual Meeting, you are being asked to vote on the following:

1. The election of four members to our Board to serve until the next annual meeting of our stockholders and until their successors are duly elected and qualify.
2. The ratification of the appointment of BDO USA, LLP (“BDO”) as the Corporation’s independent auditors for the year ending December 31, 2015.
3. Such other business as may properly come before the Annual Meeting or any adjournments thereof. The Board is not aware of any such matter.

Only stockholders of record of LICT at the close of business on May 11, 2015, the record date, are entitled to notice of, and to vote at, the Annual Meeting. If you wish to attend the Annual Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and identification to the Annual Meeting. This proxy statement and accompanying form of proxy are being sent to our stockholders on or about May 14, 2015. As of the close of business on May 11, 2015 there were 21,189.37 shares of our common stock, par value \$0.01 per share (“Common Stock”) outstanding. Each share of our Common Stock, or fraction thereof, is entitled to one vote, or fraction thereof, on each matter submitted to our stockholders. There are no other classes of voting securities of the Corporation outstanding on the record date. In order for us to obtain a quorum for the conduct of business at the Annual Meeting, a majority of the issued and outstanding shares of Common Stock entitled to vote must be represented at the Annual Meeting in person or by proxy.

Our Board is asking for your proxy. Giving the Board your proxy means that you authorize the Board to vote your shares of Common Stock at the Annual Meeting in the manner you direct. If no such direction is given in the proxy returned to us by the stockholder, the proxy will be voted FOR the nominees to the Board named below, FOR the ratification of BDO as the Corporation’s independent auditors for the year ending December 31, 2015, and in the discretion of the proxies with respect to any other matter that is properly brought before the Annual Meeting. Any stockholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering a written notice of revocation or a duly executed proxy bearing a later date to one of our corporate officers, or by appearing at the Annual Meeting and revoking his or her proxy and voting in person.

If stockholders do not give their broker or other nominee instructions as to how to vote shares held in street name, the broker or other nominee will have discretionary authority to vote those shares only on 'routine' matters, such as the ratification of auditors, and not on 'non-routine' proposals, such as the election of directors. Thus, if you hold your shares of Common Stock through another person or firm, or in street name, and do not provide voting instructions to your broker or other nominee, your shares will not be voted with respect to the election of directors but may be voted with respect to the ratification of BDO as the Corporation's independent auditors. Shares of Common Stock held by brokers who have not received voting instructions from their customers are referred to as "broker non-votes," and are counted as present for the purpose of establishing a quorum despite the fact that they are not voted on non-routine matters.

The candidates for election to our Board who receive the highest number of affirmative votes will be elected. Votes that are withheld will not be included in the vote tally for the election of directors. To ratify the appointment of BDO as our independent auditors for the year ending December 31, 2015, a majority of the votes cast on the matter is required.

An automated system administered by Broadridge Financial Solutions, Inc. tabulates the votes.

COST OF PROXY SOLICITATION

This solicitation of proxies is made on behalf of our Board, and the cost thereof will be borne by us. We have employed the firm of Morrow & Co., LLC, 470 West Avenue, Stamford, CT 06902, to assist in this solicitation at a cost of approximately \$2,500, plus out-of-pocket expenses. We will also reimburse brokerage firms and nominees for their expenses in forwarding proxy material to beneficial owners of our Common Stock. In addition, our officers and employees, none of whom will receive any compensation in addition to their regular compensation, may solicit proxies. The solicitation will be made by mail and, in addition, may be made by facsimile, e-mail, personal interviews and by telephone.

Dividend Policy

The Corporation has not paid cash dividends on our Common Stock since our inception, and has instead generally retained liquidity for operations. The Board may consider instituting a dividend in the future, subject to the Corporation’s financial needs, any applicable financial obligations and its strategic development. We have distributed shares of subsidiary companies to our stockholders in the form of spin-offs (CIBL, Inc. (“CIBL”), a holding company with operating interests in telecommunications, in 2007, and ICTC Group, Inc. (“ICTC”), a telecommunications company serving southeastern North Dakota, in 2010).

ELECTION OF DIRECTORS

Our Board has nominated Mario J. Gabelli, Robert E. Dolan, Salvatore Muoio and Gary L. Sugarman to be elected at the Annual Meeting as all of the members of our Board, to serve until the next Annual Meeting and until their respective successors are elected and qualify. (Donald H. Hunter, who has served as a director since June 4, 2014, is not seeking re-election; the Board wishes to express its gratitude for his many contributions to the Corporation over the past year.) If for any reason any nominee does not stand for election, the proxies solicited by this proxy statement will be voted in favor

of the remainder of those named and may be voted for a substitute nominee in place of such nominee. We have no reason to expect, however, that any of the nominees will not stand for election.

Our By-laws provide that our Board shall consist of no less than two and no more than nine directors, as determined by the Board from time to time. At this stage in the Corporation's development, we believe that four directors will be adequate for LICT's current purposes and will support our efficient operation.

Biographical summaries and ages of the nominees as of May 11, 2015, are set forth below. This information shows that each of the nominees is well qualified to serve on our Board, as further detailed immediately following each biographical summary. In addition, the Board has carefully considered that as a group, the nominees provide a broad range of diversity in their backgrounds, education, experience, skills and expertise, as also set forth below. The diverse qualifications and abilities of our nominees cover all of the major areas of the Corporation's strategic, operational, financial and governance needs.

Data with respect to the number of shares of our Common Stock beneficially owned by each of the nominees appear elsewhere in this proxy statement. All such information has been furnished to us by the nominees.

Vote Required

Nominees receiving the greatest number of votes duly cast for the election of directors will be elected to our Board. Except where authority to vote for nominees has been withheld, it is intended that the proxies received pursuant to this solicitation will be voted "FOR" the nominees named above. Withheld votes and broker non-votes will not affect the outcome of the election of directors.

Recommendation of the Board:

THE BOARD RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES TO THE BOARD.

RATIFICATION OF BDO AS LICT’S INDEPENDENT AUDITORS

BDO served as LICT’s independent auditors for the year ended December 31, 2014, and the Board has selected BDO to serve in that role for the year ending December 31, 2015 as well. We are asking our stockholders to ratify the selection of BDO. In accordance with our governance documents, the Board believes that this is consistent with the best governance practices as an opportunity for stockholders to provide direct feedback to the Board on this important engagement. If our stockholders do not ratify the selection of BDO, the Board will reconsider the matter.

Recommendation

THE BOARD RECOMMENDS A VOTE “FOR” RATIFICATION OF BDO AS THE CORPORATION’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2015.

Vote Required

Ratification of BDO requires the affirmative vote of a majority of the votes cast on the matter. Abstentions will have no effect on the outcome of the ratification.

GOVERNANCE OF LICT CORPORATION

Board of Directors

In 2013, our Board had seven members until the Annual Meeting of Stockholders held on July 2, 2013 (the “2013 Annual Meeting”), at which time the size of the Board was reduced to three directors. Of the seven directors who served until the 2013 Annual Meeting, each of them other than Mr. Gabelli and Thomas J. Hearity could be considered to be independent under stock exchange and Securities and Exchange Commission rules. Of the three directors who comprised the Board following the 2013 Annual Meeting (Mr. Gabelli, Mr. Muoio and Mr. Sugarman), each of them other than Mr. Gabelli could be considered to be independent under such rules. At a Board meeting held on August 23, 2013, the Board increased its size to four directors and elected Robert E. Dolan as a director. Since Mr. Dolan is an executive officer of the Corporation, he is not considered independent. On June 4, 2014, the size of the Board was increased to five and Donald H. Hunter was elected to serve as the fifth director at the 2014 Annual Meeting of Stockholders held that day. Mr. Hunter, Mr. Muoio and Mr. Sugarman are considered independent. During 2014, the Board held eight meetings. All of our directors during 2014 attended at least 75% of the meetings of our Board. The Corporation does not have a policy regarding the attendance of directors at the Annual Meeting.

The Corporation’s Audit Committee is comprised of the Board as a whole. The Corporation has had an Audit Committee, whether comprised of the Board as a whole or a smaller number of directors, since its spin-off from Lynch Corporation as a public company in 1999. However, the Corporation is not required to

maintain an Audit Committee. We may choose not to do so at some future time, particularly in light of the fact that the audit function is being performed by the Board as a whole, if we determined that discontinuance of a formal Audit Committee would not be detrimental to the Corporation's governance.

The entire Board has also served as the Compensation Committee since March 2011. Again, however, the Corporation is not required to maintain a Compensation Committee and we may choose not to do so at some future time, in light of the fact that the compensation function is being performed by the Board as a whole, if we determine that discontinuance of a formal Compensation Committee would not be detrimental to the Corporation's governance.

Compensation of Directors

In 2014, directors other than Mr. Gabelli, our Chairman, and Mr. Dolan received a quarterly cash retainer of \$9,000; a fee of \$3,000 for each Board meeting attended in person, and a fee of \$1,000 for attendance at each telephonic Board meeting. The Chairman receives no retainer or fees for his service on the Board, nor does Mr. Dolan.

The total director compensation in quarterly cash retainers and fees for meeting attendance paid in 2014 is as follows:

Donald H. Hunter	\$25,000
Salvatore Muoio	\$45,000
Gary L. Sugarman	\$45,000
Total	\$115,000

No form of compensation other than these cash payments (e.g., stock options, restricted stock, etc.) was provided to these directors during 2014. The Corporation maintains a liability insurance policy that provides for indemnification of each director (and officer) against certain liabilities that may be incurred through service in such capacities.

Risk Oversight

Our Board has responsibility for the oversight of risk management. The Board regularly discusses with management the Corporation's significant risk exposures, their potential impact on the Corporation, and the steps necessary to manage these risks. The Board's areas of focus prominently include the management of risks associated with governance issues such as corporate structure, supervision of field management and accountability requirements. The Board as a whole is ultimately responsible for risk oversight at LICT. In discharging this responsibility, the Board meets periodically with management in order to review the Corporation's financial reporting system, its risk exposures and the measures management must take to identify, monitor and control such exposures.

Employee Code of Ethics and Conflicts of Interest Policy

Since our spin-off from Lynch Corporation in 1999, we have had a code of conduct and a policy governing conflicts of interest. In December 2003, we adopted a Code of Ethics that replaced our existing code of conduct and applies to all of the Corporation's employees, including our officers. We require all of our employees to adhere to our Code of Ethics and Conflicts of Interest Policy in addressing legal and ethical issues encountered in conducting their work. Our Code of Ethics and Conflicts of Interest Policy require that our employees comply with all laws and other legal requirements, avoid conflicts of interest, conduct business in an honest and ethical manner, and otherwise act with integrity and in the Corporation's best interest. In addition, employees who, due to their responsibilities, may encounter conflicting interests are required to certify compliance with our Conflicts of Interest Policy. Our Code of Ethics and Conflicts of Interest Policy are posted on our website at www.lictcorp.com.

Policy Regarding Reports of Actions That May Be Violations of Law

In December 2003, our Board also adopted a Policy Regarding Reports of Actions That May Be Violations of Law, referred to as our "Whistleblower Policy." This Whistleblower Policy reaffirms our commitment to comply with all applicable laws that protect employees from unlawful discrimination or retaliation as a result of their lawfully reporting information regarding, or participating in investigations involving, allegations of corporate fraud or other violations of federal or state law. The Whistleblower Policy further establishes a procedure by which employees may file anonymous complaints regarding the Corporation's actions or business practices including, but not limited to, fraudulent conduct, violations of internal accounting controls or other financial misconduct, and non-compliance with applicable laws or regulations. Our Whistleblower Policy also provides that we will offer a reward of up to \$10,000 (also made on an anonymous basis) to any employee who reports information regarding corporate fraud or other alleged violations by the Corporation or its agents of federal or state law, and such information leads to a finding of wrongdoing as determined either by our Board or by a government authority. A copy of the Whistleblower Policy is posted on our website at www.lictcorp.com.

Stockholder Communications

Our stockholders may send communications by letter addressed to our Board at LICT Corporation, 401 Theodore Fremd Avenue, Rye, New York 10580. All communications will be received and reviewed by a Corporate officer, and communications about our accounting, internal controls, auditing matters or business practices will be reported to the Board. Communications about other matters will be forwarded to the Board if issues appropriate for their attention are raised therein.

Compensation Discussion and Analysis

Overview and Philosophy

The Board approves annual compensation to be paid to our Chief Executive Officer and each of our other executive officers, as well as to other key employees. In addition, acting as the Compensation Committee, the Board is responsible for developing and administering our executive compensation policies and plans. The Compensation Committee, comprised of the Board as a whole, has approved the following discussion of the Corporation's executive compensation in this proxy statement.

The objectives of our executive compensation program are to:

- Promote and reward the achievement of the Corporation's desired performance;
- Provide compensation that will attract and retain superior talent;
- Ensure that there is appropriate linkage between executive compensation and the enhancement of stockholder value; and
- Evaluate the effectiveness of our incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, scope, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon our annual and long-term performance, as well as individual performance. The Board uses its discretion to set executive compensation at levels warranted, in its judgment, by such performance and by our other compensation objectives, as set forth above.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of base salary, cash bonus compensation, the 2015 Restricted Stock Plan discussed below, our 401(k) Savings Plan, and other benefits generally available to our employees.

Base Salary

Base salary levels for our executive officers are intended to be competitive with other companies in our industry which are comparable to LICT in size, complexity and financial characteristics. In determining salaries, the Board, acting as the Compensation Committee, takes into account an individual's experience and performance, as well as specific issues relating to the Corporation and its desired performance. Any adjustments made to salaries are based upon a variety of judgmental factors, including the individual performances of the officers and their anticipated contributions to LICT, the prevailing industry conditions, and our general financial and strategic posture and performance.

Bonus Plan

We have in place a bonus plan that is based on objective measures of corporate performance and on subjective evaluation of individual performance for our executive officers and other key personnel. In general, this plan provides for the payment of a percentage of an officer's base salary for the attainment of Board-approved objectives; and upon the favorable evaluation of the officer's overall performance by the Board and/or the officer's immediate superior. The Board, in its discretion, may take into consideration such other factors and circumstances involving the officer's performance and the Corporation's results as it deems relevant in determining the amount of each bonus.

2015 Restricted Stock Plan

In March 2015, as an equity incentive measure, the Board approved the Corporation's 2015 Restricted Stock Plan (the "RSA Plan") under which restricted stock awards have been made to four of our executives. These awards total 89 shares of LICT stock and all of the awards vest on January 1, 2017. The restricted shares will be forfeited before vesting if the executive's employment is terminated by the Corporation for cause or the executive voluntarily resigns, and the RSA Plan contains other terms and conditions which are usual and customary for equity incentive programs of this type. The Board is responsible for the administration of the RSA Plan and may increase or otherwise modify the awards in the future as the Board determines to be appropriate.

LICT Corporation 401(k) Savings Plan

LICT's employees are eligible to participate in our 401(k) Savings Plan. Our 401(k) Savings Plan permits employees to make contributions by deferring a portion of their compensation. We may make discretionary contributions to the 401(k) Savings Plan accounts of participating employees, although we do not currently do so. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. All 401(k) contributions are invested in certain mutual funds or our

Common Stock, as determined by the participants. Of the individuals listed in the Summary Compensation Table, Mr. Dolan deferred \$23,000 under the 401(k) Savings Plan during 2014 and Mr. Stephen J. Moore, Vice President – Finance, deferred \$8,076.83.

Benefits

We provide medical, life insurance and disability benefits to the executive officers that are generally available to all of our employees. The amount of perquisites did not exceed \$10,000 for any executive in 2014.

Chief Executive Officer Compensation

Effective December 1, 2010, Mario J. Gabelli was reappointed Chief Executive Officer of the Corporation, replacing Robert E. Dolan who had been elected Interim Chief Executive Officer effective May 1, 2006. Mr. Gabelli had previously been Chief Executive Officer from September 1999 until November 2005, and throughout this period served as either Chairman or Vice-Chairman of the Board. (See page 4, above). Mr. Gabelli had remained actively involved in the development of the Corporation's acquisition, disposition, investment and financial strategies, and his salary had continued at \$150,000 per year since November 15, 2005. Consideration of additional compensation for Mr. Gabelli as a result of his reappointment as Chief Executive Officer and his increased responsibilities is being examined in light of the long-term strategic goals of the Corporation.

Compensation Committee Report

The Board, acting as the Compensation Committee, has reviewed and discussed the Compensation Discussion and Analysis with management. Based on such review and discussion, the Board, acting as the Compensation Committee, has determined that the Compensation Discussion and Analysis be included in this Proxy Statement. To reduce expenses, the entire Board has served as the Compensation Committee without additional compensation since March 2011.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of the current date, certain information with respect to all persons known to us to each beneficially own more than 5% of our shares of Common Stock, which is our only class of voting stock outstanding. The table also sets forth information with respect to our Common Stock beneficially owned by the directors, by each nominee for director, by each of the executive officers named in the Summary Compensation Table, and by all directors, nominees for director and executive officers as a group. Consistent with prior years, the information concerning the number of shares beneficially owned as set forth in the table is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which a person has the sole or shared voting or investment power or any shares that the person can acquire within 60 days, such as through exercise of stock options or conversions of securities. Except as otherwise indicated, our stockholders listed in the table have sole voting and investment powers with respect to the Common Stock set forth in the table. The following information has been furnished to us by or on behalf of the persons named in the table. For ownership information purposes, the address of each entity or person listed in the table is 401 Theodore Fremd Avenue, Rye, New York 10580.

Name of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percent of Class
